# Strategic Planning Feedback Session:
## *Partnering for a Healthier Tomorrow*

The Mississauga Halton LHIN planning process for the 2016-2019 Strategic Plan is underway and you are invited to provide your input during our Governance to Governance Session in June 2015.

Every three years, in consultation with stakeholders such as health service providers, residents, patients, volunteers, community and committee group members and others in our community, the Mississauga Halton LHIN develops a plan that sets out our priorities, supports provincial government strategic directions, and meets local community healthcare needs.

As part of our community engagement, we are holding a number of open feedback sessions alongside targeted focus groups across our region throughout the spring.

Hearing your thoughts and ideas as we renew our strategic plan is so important for us to effectively plan.

**Topic:** Mississauga Halton LHIN's Strategic Plan Consultation
**Date**: Monday, June 8, 2015
**Location**: Oakville Conference Centre, Oakville C Banquet Room, 2515 Wyecroft Road, Oakville, ON L6L 6P8
**Time**: 5:30 p.m. - Registration & light dinner; 6:00 p.m. - Session starts.
**Register:** https://June2015G2G.eventbrite.ca

In order to gather as much feedback as possible, we strongly encourage that your Executive Director/CEO attend along with most of your Board. Those who cannot attend the session are invited to complete an online Strategic Planning Survey which will be announced separately.

The Mississauga Halton LHIN Board thanks you for your continued support, ideas and enthusiasm.
